

Elementary Specials Class (STEM)

7 Hours a Week

Fond du Lac Christian School is looking for an elementary teacher who is passionate about Christ, scripture, and student growth! We are a growing school dedicated to discipleship, academic rigor, strong families, and strong churches. This teacher works with every class in the elementary school, teaching a one day a week class that enriches students and contributes to the accomplishment of FCS's mission.

School Vision:

Within a community of love, we will disciple well educated and committed servant-leaders who will transform their world for Christ.

School Mission:

To serve the Christian home and Church by discipling students academically and spiritually; helping students attain a Biblical worldview and their full potential as unique and beloved creations of a sovereign God.

Job Responsibilities:

- Creating Week-ahead lesson plans
- Implementing school curriculum under the direction of the administration
- Carrying out school policies and procedures
- Contributing to school initiatives including curriculum mapping
- Managing classroom discipline and structure in accordance with school policies
- Promoting the school at Open-House Events
- Attending school and staff events
- The FCS teacher maintains good standing in a local church, regularly attending and supporting their church

Personal Qualities:

- The FCS Teacher loves Jesus and follows him with their life, having a major heart for discipleship
- The FCS Teacher is hungry to do all with excellence
- The FCS Teacher is humble in the way they work with others, with parents, and with students
- The FCS Teacher is smart in the way they attack their duties and the way they work with people.

Academic Qualifications Required:

- Bachelor's Degree in education from an accredited university or related field or
- Bachelor's degree in a field not related to education with a plan to amass 12 credits in education or related fields over the next 3 years. Fond du Lac Christian School does have some funding available for continuing education.

Academic Qualifications Preferred:

- Teaching Credential
- Master's degree
- EdD or PhD
